No.ST/Exam/Ragging/15/NC

Dated: 17<sup>th</sup> July 2015

Dear Principal,

In view of the directions of the Hon'ble Supreme Court of India and in consideration of the determination of the Central Government to prohibit, prevent and eliminate the evil of ragging from educational institutions, the National Council for Hotel Management stands committed to students of affiliated Institutes of Hotel Management in this regard.

Any undisciplined activity by any student which causes annoyance, hardship, psychological harm, fear or apprehension in any fresher or any other student will not be tolerated on campus. Faculty, staff and senior students are directed to safeguard the young aspirants from such acts of indiscipline which will severely be reprimanded.

The institute must constitute committees at different levels to prevent its occurrence. Constant vigil in venerable areas like hostels, canteens and common areas must be maintained round the clock. The academic session for senior students has commenced earlier which must be utilized to instruct them and devise strategies for creating a good learning atmosphere in the institute.

It is made clear that institutes would be de-affiliated and financial assistance stopped if any reports of ragging are received. Your undivided cooperation in upholding the high values of our IHMs is appreciated.

Thanking you,

Yours faithfully,

USHA SHARMA
